### PARENT GUILD

Xavier Families— On behalf of the Parent Guild Board I wanted to take a moment to thank all families for the hard work and support you have put fourth during the first semester of activities here at Xavier.

As our school continues to grow, parent involvement becomes more important and this year you have all been so generous with your time and resources. We started out the year with Freshman Orientation in August in which many of you became "Halos" to our Freshman parents. In addition, hundreds of you got involved in the Festival of Fright's and it was a great success again this year. And just recently, our brand new Christmas event called, "Christmas Posada", gave us the joy of the Holiday with music, food and Christmas spirit. Aside from these large events, we also Thank You for the small but meaningful things that you do, whether it's donating your used uniforms, preparing food for the teachers during final exams, organizing calendar sales, driving students to Duroville or the retreats and donating countless hours participating in the school accreditation. Everything you do enriches our school and makes our vision a reality.

The second part of the year will be filled with more activities and of course we will be calling on you to help, "The Easter Eggstravaganza", "The Spring Soccer Carne Asada Event", "The Family Potluck" just to name a few.

We hope that your Christmas and New Year's holiday is filled with many Blessings.  
Enrique Braunschweiger, Parent Guild President

*P.S Please don't forget to sell your calendar's over Christmas break and turn in your \$\$ when you return... :+)*
