

**XAVIER COLLEGE  
PREPARATORY  
HIGH SCHOOL**  
WITH AND FOR OTHERS

**ANNUAL  
REPORT  
2019-2020**

# A MESSAGE FROM OUR PRESIDENT

**Chris Alling**  
**President**

An annual report is an exercise in accountability and gratitude. The leadership at Xavier does a lot of reporting on the school's growth and achievement. We seem to be in a steady process of self-study, data analysis, and discernment. Ultimately, the strongest testament to the school's impact is our students. Their growth and achievement IS our growth and achievement; their fruitful lives after Xavier speak profoundly about the work we do from enrollment all the way through graduation.

When we look at that final product of a graduate, it can be useful to remember the first brick that was laid in the foundation of this wonderful person for others. Oftentimes, that first brick was an investment of time, talent, or treasure. Someone paid tuition. Someone paid for tutoring. Someone drove a van, or coached a team, or provided half-time orange slices. Oftentimes, we can overlook the investments we have grown to take for granted: the dinners, the quiet place we provide kids to study, the steady reliability of a ride to and from school every single day.

While this annual report draws conspicuous attention to the financial support Xavier receives, I hope you see it as more than just a nominal or symbolic thank you for all of the time, talent, and treasure invested in this school that help us live the mission and do the work every single day.

We all have to account for how we managed the talents invested in us by others. We hope to resume the strategic planning process we started before campus closed down in March, as this will be an essential part of our invitation for your further participation and our continued efforts to do excellent work on your behalf. We're excitedly looking toward the future; there's still a lot of building to do at Xavier!

Our report begins, like all of our reports, with gratitude. On behalf of our students, their families, our teachers and staff, and the Xavier Board of Directors, thank you.

Gratefully,  
Chris

# OUR MISSION

Xavier College Preparatory is a Roman Catholic high school that actively seeks, educates, and nurtures young men and women from a wide variety of ethnic, socioeconomic, and religious backgrounds in the Coachella Valley. In the tradition of St. Ignatius of Loyola, the founder of the Society of Jesus, Jesuit education is committed to the development of the whole person through a challenging educational experience, spiritual and religious formation, and co-curricular involvement. Supporting the role of parents as primary educators, our entire school program is dedicated to developing conscientious leaders and agents of change who are intellectually competent, open to growth, committed to justice, and religious and compassionate in service to others for the greater glory of God.

## STUDENT PROFILE 2019 - 2020

Female:	51%
Male:	49%
International:	8%
Need-based aid:	50%
First Generation:	36%

## ENROLLENT 2019 - 2020

Student Count  
9Th - 12Th : 584  
Class Of 2020: 140

## STUDENT DEMOGRAPHICS 2019 - 2020

Hispanic	28%
Black, Non-Hispanic:	2%
White, Non- Hispanic:	43%
Two or more Races:	21%
Asian and Pacific Islander*:	5%
American Indian and Alaska Native:	1%

\*Combined Asian and Native Hawaiian / Pacific Islander

## College Matriculation

## XAVIER GRADUATE COMMISSIONED 1ST FEMALE TO SPACE FORCE

### Shelby Andrade *Class of 2015*

Shelby Andrade, a 2015 Xavier Alumni, recently graduated from the United States Air Force Academy with a Bachelor of Science in Systems Engineering. After Xavier, Shelby continued her educational career at Northeastern University in Boston, MA where she was a collegiate swimmer. It was there she began the long and arduous USAFA Application process in early October 2015, receiving her appointment to the United States Air Force Academy in March 2016.

"I couldn't have made it this far without all of the growth and development Xavier afforded me. Xavier provided me the foundation and strength to persevere even through the toughest times," Shelby Andrade.

Throughout Shelby's time at the United States Air Force Academy she was afforded amazing opportunities which included: skydiving (solo) 5 times to get her Jump Wings, undergoing Expeditionary, Survival and Evasion Training (which entailed over a week of surviving in the woods), flying an F-16, and graduating with an Engineering degree from one of the finest, most rigorous institutions in the United States.

Shelby will now be headed to Vandenberg AFB, CA for Space Operator technical training, where she will be a Space Operator. This will be the first group of Officers shaping and forming the foundation of the new Space Force branch.

"Shelby spent her four years at Xavier with her nose in the books, and her head under water in the swimming pool. Now she'll have her eyes on the stars. Her time at the Air Force Academy and her commitment to serving her country in this capacity is inspiring and what we always grew to expect from this exceptional young woman," Chris Alling, Xavier President.

Shelby was the first commissioned woman and the 5th member of the United States Space Force. General Raymond, the Chief of Space Operations (CSO) was the 1st member, his NCO is the 2nd member, and there were 86 graduates commissioned into the Space Force on April 18, 2020.

## XAVIER STUDENT PRODUCES 100 PPE'S

### Bryan Chang *Class of 2022*

Xavier College Prep High School student who was stuck at home, has decided to put his free time to use and help bring protective gear to local medical professionals. To date, healthcare providers' biggest challenge is still a shortage of personal protective equipment.

Bryan Chang, a sophomore at Xavier College Prep High School was home trying to think of a way he could best utilize his time and efforts away from campus. While students at Xavier have not missed a single day of learning since the COVID-19 outbreak, students are still finding themselves with extra time on their hands.

Bryan has begun producing 3D-printed face shields that will protect healthcare professionals from any droplets while they treat COVID-19 positive patients. To ensure the effectiveness of the materials being distributed, Bryan is following an approved format of the National Institute of Health (NIH).

"I hope that this small contribution will make a difference in preventing the spread of this pandemic," said Bryan. "I am hoping to get more people within the Xavier Family on board to assist in making this an even bigger endeavor".

Bryan made his first delivery of 100 face shields to Kaiser in Moreno Valley who currently have a need for additional personal protective equipment (PPE).

"Bryan's generosity and imagination inspire us all to consider ways we can reach beyond the four walls of our individual quarantines in order to make a difference. A Jesuit education is predicated on the idea that love is best shown in deeds rather than words. Bryan's practical actions are acts of love," Chris Alling Xavier President.

# *Magis: The Opportunity to do MORE*

Jesuits use the Latin word *magis*, or “more,” to inspire in others and themselves a boundless desire to reach ever-higher levels of excellence.

At Xavier College Prep, we ask our students to make the most of their talents, to put forth their best effort and to do more than they think is possible. We will expect no less from our graduates and our Xavier community.

Academic excellence is not enough: we are here to form “men and women with and for others,” for the common good. We are dedicated to nurturing graduates who will serve those most in need of their talents. After all, it was St. Ignatius of Loyola’s idea that the objective of a Jesuit education is to prepare people to serve others for the greater glory of God, *Ad Majorem Dei Gloriam*, by constantly adapting our educational goals and methods to contemporary life.
