

## AP SPANISH SUMMER ASSIGNMENTS 2021-2022

Profesora Cabrera Lucero [jcabreralucero@xavierprep.org](mailto:jcabreralucero@xavierprep.org)

**¡Bienvenidos a la clase de español!**

You have chosen to continue your study of Spanish at the AP level. The AP Spanish Language and Culture Exam (May 2021) is designed to test your skills in order to see how well they compare to abilities found in a third-year college course. The exam will test all of the major language skills: listening, reading comprehension, speaking, and writing in addition to the general cultural knowledge of the Hispanic World. I welcome you to this rewarding and challenging course and to this journey exploring six major themes of study.

**Themes for AP Spanish Language and Culture**

1. Beauty and Aesthetics
2. Global Challenges
3. Science and Technology
4. Families and Communities
5. Personal and Public Identities
6. Contemporary Life.

**Rationale for Summer Assignments**

Students enrolled in AP Spanish are required to complete the summer assignment prior to the start of class in August. The assignments integrate the use of technology while maintaining the integrity of language acquisition through real-life experiences. Summer assignments have been selected to continue the development of more advanced communication skills in listening, speaking, reading, and writing.

**General Directions:**

Read the assignment descriptions carefully. Each assignment has some required activities. You may use dictionaries, grammar books, [www.wordreference.com](http://www.wordreference.com), etc. Local libraries and native speakers of Spanish are excellent sources. You may enjoy watching videos or television programs with other AP Spanish students and discussing the activities and your opinions are encouraged. However, your work is still yours, not the other students'. You may have the same conversations but your logs will be different, since each one of you will report what you learned and talked during the conversations. You are required to abide by the honor code that forbids from cheating, lying and stealing, both within the academic world and as members of the general society. In other words I expect that you complete all assignments on your own, without the use

of a person or translator. Your work should represent what you are capable of doing using all resources you have at hand, grammar, notes from previous studies.

This work is to assess your skills upon starting the new school year. You will receive a major test grade for this work. You can submit it one week before school starts on the google classroom.

However, if you are traveling, you can submit it on the first day of class. ALL YOUR WORK MUST BE SUBMITTED VIA GOOGLE CLASSROOM (Class code hejjalx

<https://classroom.google.com/c/MzM5MjAwMjM1OTQz?cjc=hejjalx>).

NOTE: These summer assignments will not take too much time each week, but the work should be spread out throughout the summer rather than trying to cram everything into a few days. You may end up with a big headache. Cramming does not work with any language.

### **Assignment # 1:** Familiarize yourself with the exam

Become familiar with EVERYTHING that is published on the AP website about this exam.
