Admission Dates to Remember

Date	Event
September 15, 2026	Applications open for the Class of 2031
Thursday, October 1, 2026 From 6:30-7:30 pm	Explore Xavier Night - an opportunity designed to give prospective families an introduction to Xavier College Preparatory. Families will learn about our Jesuit mission, academics, student life, athletics, admissions process, tuition assistance, and what makes the Xavier experience unique. The evening provides families with important information, an opportunity to ask questions, and a chance to determine whether Xavier may be the right fit for their student.
Friday, October 2, 2026	Saint Discovery Shadow Days Begin – Prospective students are invited to experience a day in the life of a Xavier Saint! Students will attend classes, meet current students and teachers, explore campus life, and discover Xavier's academics, athletics, faith, and student activities.
Saturday, November 14, 2026 From 12 pm - 2 pm	Open House - Open House is designed to give prospective students and families an opportunity to experience Xavier firsthand. Rather than a traditional presentation, families will explore campus, visit classrooms, meet teachers and current students, connect with coaches, and discover our academics, athletics, clubs, activities, service opportunities, and student life. Throughout the event, families can explore the areas that interest them most, ask questions, and connect directly with members of the Xavier community. You will also have the opportunity to learn more about our Jesuit mission, admissions process, tuition assistance, and scholarships. Open House is your opportunity to see our community in action, make connections, and experience what it truly feels like to be a Xavier Saint!
Friday, December 11, 2026 5:00-6:00 pm	Financial Aid & Application Workshop – Join us in the Rover Commons to learn more about making a Catholic education affordable and receive hands-on assistance with the application process. Families are encouraged to bring their own laptop or electronic device, or they may use a school-provided device during the workshop.
