

How to download the new Xavier Mobile App

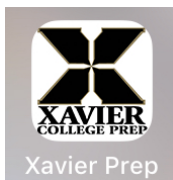

1. Go to the iTunes Store or Google Play Store on your phone and search for Xavier Prep. You can also click on the link or buttons below and it will take you straight to the app download.

App store link:

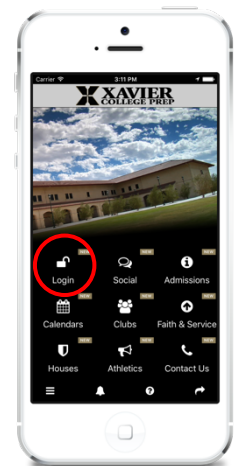

<https://admin.essenzasoftware.com/AppStoreRedirect?appldentifier=org.xavierprep.k12>

2. Once downloaded, click on the App. The app button on your phone has the Xavier logo.

3. Click the Login button.

- Use the email you have provided Xavier to Log In. (ex: johnsmith@hotmail.com, @gmail.com, @me.com, etc.)
- If you are a new parent or student and **DID NOT** provide an email to Xavier during the application process, please click **Need Access** on your app.
- *Please make sure to contact the school with your NEW student or parent email as you will receive all the information from the school via email.*

4. And access code will be sent to your email for verification.
5. Enter that access code in the app
6. Respond to **YES** to Allow Location and Allow Notifications so you can use the full capabilities of the app.
7. You are done and ready to explore our app.

Important information:

- Our app is very new. We are adding things on a daily basis. To ensure you have the most up to date version of our app, make sure to click the three lines button on the bottom left corner of your app and then the **refresh button**.
- To join a group please click the join button on the tile desired. The administrator will approve any pending requests.
- **For any questions, please contact Ursula Coie at ucoie@xavierprep.org or at 760-601-3900 x6196**
